

(X=Completion as Intermediate 99 Student)

Psychomotor Skills

Medication Administration

1. IV Medication Administration(10):
2. IM Medication Administration(2):
3. SQ Medication Administration(2):
4. Nebulized Medication Administration(2):
5. PO Medication Administration(2):
6. Rectal Medication Administration(2):
7. Gastric Tube Medication Administration(2):
8. Medication Calculations(20):
9. IV Drip Drug Medication Administration(10):
10. IV Drip Drug Calculations(20):

Airway

1. BVM Adult (15):
2. BVM Peds (5):
3. Perform Sellick Maneuver(2):
4. Tracheal Intubation Adult(3):
5. Tracheal Extubation Adult(3):
6. Tracheal Intubation Peds(2):
7. Tracheal Extubation Peds(2):
8. Tracheal Suction(5):
9. Insert Oropharyngeal Airway(2):

Clinical Skill Checklist EMT Intermediate to Paramedic Student:

2

10. Insert Nasopharyngeal Airway(2):
11. Connect/Interpret End Tidal CO2 monitor(2):
12. Connect/Interpret Pulse Oximeter(2):
13. NG/Gastric Tube Placement(2):
14. Demonstrate Proper BSI(2):
15. Peak Expiratory Flow Adult(2):
16. Peak Expiratory Flow Peds(2):
17. Maintain Quarterly BVM and Tracheal Intubation

Venous Access

1. Venous Access Adult(15):
2. Venous Infusion Adult(15):
3. Venous Access Peds(10):
4. Venous Infusion Peds(10)
5. Demonstrate Proper BSI and Sharps Disposal(2)

Labor and Delivery

1. Observe/Perform Delivery(2):
2. Perform Fundal Massage(2):
3. Perform Newborn Assessment(2):
4. Suction Newborn(2):

Ages

1. Pediatrics(18P+17I): *(10 contacts of various age specific complaints plus 8 peds comp assessments)*
2. Adult(25P+25I): *(20 adult comp assessments + 4 pregnancy comp assessments + in class practicals/simulation)*

Student:

2. ___Geriatrics(19P+16I): *(10 contacts of various age specific complaints + 9 geriatric comp assessments)*

Pathologies

1. ___Obstetrics(5P+5I): *(4 Pregnancy comp assessment +practical/simulation)*

2. ___Trauma(20P+20I):

3. ___Psych(10P+10I): *(4 contacts of various psych specific complaints + 6 psych comp assessments)*

Complaints

1. ___Chest Pain(15P+15I):

2. ___Dyspnea/Respiratory Distress Adult(10P+10I):

3. ___Dyspnea/Respiratory Distress Peds(4P+4I):

4. ___Syncope(5P+5I):

5. ___Abdominal Complaints(10P+10I):

6. ___Altered Mental Status(10P+10I):

Miscellaneous

1. ___Rhythm Strip Interpretation(10):

2. ___12 Lead ECG Interpretation(10):

Preceptorship

1. ___Team Leader Contacts(25P+25I):
