

## Team Leader Skills

Student:

Patient identifier	Location/date of contact	Patient problem	Assessment appropriate	Treatment appropriate	Preceptor Comments	Preceptor sign off

**Goal: Intermediate: 25 patient contacts; Paramedic: 25 patient contacts**

You must be evaluated by a minimum of three different paramedic preceptors. No single preceptor can evaluate more than 10 patient contacts. During patient contact, you must perform the assessment and provide any necessary treatment. The preceptor will observe and provide direction as necessary to assure quality patient care.
